

BR8 Battery Cabinet

Rack Mount Battery Cabinet

- 8RU 23" rack mount
- Formed from heavy gauge steel
- Up to 47 amps at 15 min-rate (17.5 kw)
- Restraining brackets to hold batteries
- Batteries pre-installed w/ pluggable connectors
- Two pole quick disconnect per string
- Black powder coat finish

C&C Power's 8RU Rack Mount provides up to 32 batteries with a capacity of up to 47A at a 15 min-rate. The batteries are conveniently housed in an 8RU rack mount and are secured with heavy duty restraining brackets. These racks come pre-wired with pluggable connectors on each battery.

For added safety, the 8RU Rack Mount is equipped with a 2 pole quick disconnect on each battery string for isolating individual strings during system maintenance. Just add batteries and inter-cell connectors for an effective solution for adding additional run time to any system.
