

Battery Cabinets

By C&C Power

- ▶ All battery cabinet assemblies listed to UL 1778 and CE Mark authorized for the EU market
- ▶ Hinged, locking front doors & Heavy duty casters on select cabinets
- ▶ Thousands of batteries in stock to facilitate quick deliveries
- ▶ Welded, heavy gauge steel construction with added supports
- ▶ Multiple chip-resistant powder coat finishes available
- ▶ Wide variety of cabinet sizes available to suit your needs

C&CPower manufactures a full line of factory assembled battery cabinets available in a wide range of sizes and colors to meet your specific needs.

The UBC40, UBC52, UBC64, UBC75, UBC77 and UBC84 are part of C&C Power's revolutionary new front access battery cabinet line. Cabinets in our UBC series come equipped with our patented, tiered shelf design- a unique feature that allows for effortless system maintenance and installs.

The BC2, BC7, BC11, BC14, and BC25 cabinets are provided with heavy duty casters for easy portability. The BC25, BC39, BC43, BC55, UBC40, UBC 52, UBC64, UBC75, UBC77 and UBC84 feature hinged locking front doors for secure and easy access. C&C Power also offers reserve power units, battery racks, and battery rack mounts that provide maximum backup power in the smallest possible package.
