

DC Power

Battery Cabinet Power System

FEATURES:

- ▶ Easy front access to breakers
- ▶ Up to 240 volt systems
- ▶ 100 or 150AH batteries
- ▶ On-board battery charger
- ▶ Multiple system configurations available
- ▶ Arrives fully assembled

C&CPower's DC Power Cabinet is ideal for central office, telecom hotels, co-location, web hosting and other applications requiring DC power distribution.

The DC Power cabinet features a front access DC load center capable of holding up to twelve 2-pole breakers. Multiple system configurations are available for 24, 48, 125, and 250-volt DC systems. The innovative front access battery design allows for 100 or 150AH batteries to be installed.

Each unit ships fully assembled and includes the charger, batteries, and DC distribution completely installed.

Specifications (120V system)				
Style	Dimensions	Weight	Charger	Battery
DC Power	30.5"W x 78.8"H x 31.5"D	1,375 lbs	12A	100AH
		1,825 lbs	25A	150AH
