

UBC40

Front Access Battery Cabinet

FEATURES:

- ▶ Patented, tiered shelf design simplifies battery maintenance
- ▶ Flexible busbars reduce stress on battery connections
- ▶ Air gaps between batteries for longer life and better cooling
- ▶ Breaker and fuse options for single/multiple string applications
- ▶ Hinged, locking front doors for secure, easy access
- ▶ Welded, heavy gauge steel construction
- ▶ Factory assembled and fully tested
- ▶ Listed to UL 1778 and CE Mark authorized for the EU market
- ▶ Seismic certified options available

C&C Power's UBC40 battery cabinet is a proud member of C&C Power's revolutionary new front access battery cabinet line. It comes equipped with our patented, tiered shelf design- a unique feature that allows for effortless system maintenance and installs.

We offer a variety of paralleling options for multi-cabinet lineups including top hat and free standing solutions with cables. Cables come precut with compression lugs crimped at each end.

OPTIONAL CONFIGURATIONS:
