The Chicago Electrical Industry 2019 Annual Homeless Children's Christmas Party

Dear Association Member:

The Chicagoland Electric Association Education Foundation (CEAEF) is sponsoring their 28th Annual Christmas luncheon for Chicago area homeless children. On Saturday, December 7, 2019 children from seven area shelters will enjoy a full turkey dinner with all the trimmings. As the children walk into the decorated hall they are greeted by lively music played by a DJ. It doesn't take long for them to join the DJ with dancing and singing and just having a great time. After lunch has been served the children's anticipation mounts, they know Santa will soon arrive with a special gift just for them. It's a wonderful afternoon from the time the children enter the hall until they leave with all their goodies.

This event could not take place without the company toy drives and volunteers, but we still have direct expenses that require financial contributions to pay for the bus transportation for the children, supplies, entertainment (excluding the DJ) and a large gift for each shelter. In the past we have given to the shelters computers, software and printers. Because of your donations we have also been able to donate a large quantity of new blankets, sheets, towels and mattresses to seven participating homeless shelters.

Thank you in advance, together we do make a difference.

Please consider making a monetary contribution (See back page for 2018 contributions)

The 2019 Homeless Children's Christmas Party will be moving from the James Jordan Center to the new IBEW 134 Hall at 2722 S. Martin Luther King Drive in Chicago. IBEW 134 has graciously offered to provide their facility for this year's party, along with tables and chairs at no cost to the Electric Association's Education Foundation who facilitates the event.

Please make checks payable to: The Chicagoland Electric Association Education Foundation (CEAEF)

(In the memo section of your check please put Homeless Children's Party)

- Address: 17W733 Butterfield Rd., Suite B, Oakbrook Terrace, IL 60181
